

# 2025 A.G.M R.V. OF PEBBLE BAYE

October 2, 2025

Dear R.V. of Pebble Baye Property Owners:

On behalf of your Council I would like to invite you to the 2025 fall A.G.M. This is your opportunity to hear from Council what has been happening in the past year. It is also your chance to bring up any concerns or issues you would like Council to consider.

There is a change in venue for the meeting this year. **The meeting will be held at the Lions Hall, Shell Lake Sask. starting at 7:00 p.m. Friday October 17, 2025.**

I am enclosing a consent form in this letter for the Resort Village to go to electronic communications with you. This form will have to be filled out in full, signed and returned to the office by mail or email. This form allows you to choose what communications if any, you want from us?

I also want to let you know that all of the meeting minutes, agendas, bylaws, budgets and audit statements are on the website. This is one of Councils way to keep you informed. The address is on the letterhead.

Council is looking at getting feedback on a possible major building project, so make sure you come to the meeting to hear about it and give your input on the idea. The R.V. of Pebble Baye is the only one in the area without a small Community Hall. There is a beautiful area down by the beach/marina area that would be great location for a modest hall. It could possibly be used for many events for the ratepayers. **Come to the meeting and hear what Council is thinking and this is also your chance to give input on the matter.**
